Rock & Stroll Garden

ROCK & STROLL

Our Rock & Stroll garden has many Southwest Florida native plants, which serve as hosts to a variety of butterflies.

We hope you are able to visit our garden in the center of our parking area. Please take time to stroll through and check out the displays, native plants, and garden stones. It may inspire you to envision where you would like to place a stone.

GARDEN STONES

YOUR OWN PIECE OF THE SLOUGH

Friends of Six Mile Slough Preserve is offering personally designed carved river stones to be placed in the Rock & Stroll Garden.

All proceeds go to programs sponsored by Friends at the Slough.
